engineered for INTERIOR USE ONLY

Carpenter Friendly EASY TO USE

Grades : General

Types : Standard, post forming, compact, cabinet liners, backer

Size : 2440 mm x 1220 mm [8'x4']

Thicknesses : 1.00mm [1.mm thickness plus minus 5%]

QTouch Highlight : 100% quality base paper from world best decorative paper manufacturer. We are using best quality kraft paper, 100% Melamine resin and 100% phenolic resin. Use of best chemical raw materials for better flexibility & durability. Paper warpping for surface protection till completion of furnishing work for P.G.

Care & Maintenance : Cleaning should be carried out with a soft moist cloth and warm soap solution. Do not use detergents containing abrasive particle or excess soda.

Disclaimer : Customers are advised to reconfirm selected laminate when placing orders as our liability does not include claims arising from sample chip pasting error. Samples presented are indicative of colour, pattern and surface finish but not of actual thicknesses. All metallic patterns series recommended for vertical application only. Information and samples for special cabinet liners, phenolic boards, special purposes compact laminates and post forming laminates are available on request.

Limited Warranty : QTouch warrants that it's products are reasonably free from manufacturing defects. The products when properly used, will comply, with normal deviations, to related manufacturing specifications. This warranty shall be limited only to the original buyer for a period of care, improper use and/or any alteration. It is recommended that the products must be inspected prior to installation and our liability will be limited to the extent of the cost of the products only.
